About Us

Abid Refrigeration and Engineering Pvt. Ltd.

Founded in the year 1996, at Nagpur (Maharashtra, India), "Abid Refrigeration", is the renowned manufacturer of a qualitative assortment of Display Counters, Stalls, Commercial Kitchen Products Etc. The offered products are manufactured using the best grade (304 Food Grade) raw material and sophisticated technology in accordance with the set global standards. Our offered products are highly acknowledged for their prominent features such as supreme quality, durability, fine finish, reliability, compact design and easy installation. Clients can avail these products from us at the most reasonable prices. Furthermore, we offer the mentioned products in standard as well as in customized form as per the precise requirement of clients.

Our Infrastructure

Our well-developed infrastructural base has contributed towards the tremendous growth and success of our organization. We have further segregated this unit into various departments such as procurement, production, quality control, warehousing & packaging, sales & marketing, etc. The work in these departments is carried out by our very competent and highly qualified professionals, who ensure hassle free operation. Our manufacturing unit is well-equipped with the most-modern machinery and the latest technology that assists us to undertake bulk orders of clients and supply them within the committed time frame. All our team members work round the clock in order to accomplish the predetermined goals of the organization. Our team is the strength of our organization assisting us in scaling great heights of success in the industry.

The segregated facilities in our infrastructure are

- > Production and Manufacturing Unit
- > Quality Testing Unit
- > Warehouse and Storage
- > Administrative Department
- > Procurement & Purchase
- > Training facility

 100,000+ SQ. FT. State of The Art Infrastructure	 Advance Machinery For Precision & High Performance	 100+ Employee Skilled Professionals	 Quality Assured At Every Step	 Cutting Edge Technology At Every Step	 Eco-Freindly Refrigerant At Every Step
--	--	---	---	---	--

Company USP

Under the visionary guidance of our Director, "Mr. Syed Abid Ali", we have learned new ways to enhance the production rate. His vast knowledge base and huge experience in this domain has been the torch light for the team throughout the production process

Our Team

A skilled team is the spine of any organization. Therefore, we have managed a capacious team of professionals who are well versed with the concepts of advanced technologies and highly committed towards their organizational goals. We are backed by highly skilled and adroit team of professionals who are dedicated towards their roles and responsibilities. Our teammates possess a vast experience of our domain which helps us to cater to the expectations of esteemed clients in a best possible manner.

The segregated facilities in our Infrastructure are

- Production and Manufacturing Unit
- Quality Testing Unit
- Warehouse and Storage
- Administrative Department
- Training facility
